Raidettes Nip Rustburg 5 - 4

The Appomattox Raidettes edged the Rustburg girls 5-4 last Wednesday in a girls Seminole District softball game played at Appomattox. The win gives the Raidettes a 3-0 record.

The Raidettes scored three times in the first inning as a result of two hits, three walks a bunch of stolen bases. They added another run in the fourth after a fielders choice and a triple by Mary Louise McCraw. Their fifth run came in the fifth inning on a hit by Mary Jane Smith. A stolen base and she scored on an error.

Rustburg scored two in the top of the fourth to cut the lead to 3-2 and added two more in the sixth to make it 5-4. In the seventh inning, Rustburg led off with a hit, a stolen base and two infield outs later, there was a walk to put runners on first and second, but the third out followed.

Paulette was the winning pitcher and Carden was the loser. N. Chambers led Appomattox with two hits, the only Raidettes with more than one. Calohan had three and Coates two to lead Rustburg.

Farm Bureau In Action

On April 1st and 2nd representatives of each county Farm Bureau boarded buses and went to Washington to discuss current National problems with their Congressmen and Senators. A session was also held at the Department of Agriculture.

Monroe, Dyess, president, and Earl Pickett, legislative director, represented Appomattox County in the two day meeting. Many legislative items and problems were discussed.

Some of the more important items discussed in detail were **Economics Stabilization Act** Wage & Price Controls; Farm Bureau opposes further extension of such controls. **Agricultural Export Controls**; Farm Bureau has expressed opposition to all export control proposals; **Truck and Size Limits**; the Farm Bureau is striving to promote uniformity between the states, especially on the Interstate Highway System. **International Trade**; We support mutually advantageous international trade. **Occupational Safety & Health Act**, we are asking for a repeal as the act in its present form is unworkable. **National land Use Plannings**; we are attempting to keep land use planning at the local level and not in Washington. and **Government Reserves of Farm Products**; Farm Bureau vigorously opposed the government owned or controlled reserves of farm products and internationally controlled food reserves. Past experiences have shown that U. S. taxpayers would carry much of the financial burden of a system of government controlled reserves both nationally or international.

Youth League Reports

There will be a meeting of Dixie Youth coaches Tuesday, April 23rd at Fidelity Branch Bank. We still need umpires, coaches and any help you can give.

Following is a list of teams and managers for Babe Ruth baseball. These teams must be reduced to fifteen (15) players and anyone who is cut will be refunded the registration fee. If a boy quits the fee will be forfeited.

Any player who still has uniforms from last season, baseball or football, must turn in this equipment before he can play this season.

Men's Rally Stresses Renewal

The Baptist Men of Virginia will meet at the First Baptist Church in South Boston on Thurs., May 2, for one of ten Regional Rallies being held throughout the state. The rally will focus on the theme: RENEW GOD'S PEOPLE.

The rally will begin at 7:30 p.m. with hymn singing led by Mr. Robert L. Copeland, host Minister of Music. Special music will also be provided followed by a presentation by the Rev. James Ballard, Pastor of the Main Street Church of Hendersonville, N.C., and Mr. Buddy Hamilton, deacon from the First Baptist Church, Richmond. The presentation will deal with the exciting new lay renewal movement that is sweeping through churches all over the world. Rev. Ballard and Mr. Hamilton will tell us what experiences their churches have had with Lay Renewal and how it has increased the depth of their ministry as both clergy and layman. After the presentation, there will be time for questions and feedback from the congregation.

The host pastor, the Rev. W. Franklin Cale, extends an invitation to the entire community to come and share in this time of fellowship and inspiration.

LEE EXTENSION HOMEMAKERS TO MEET

The Lee Extension Homemakers Club will meet April 19th at 1 p.m. at the home of Mrs. Geneiva Childress.

Good Turkey Hunting

Ricky Lewis, left above, and Vic Banton, right above, are shown with the 15 pound turkey killed on Tuesday by Ricky Lewis near his home in the Oakville area. The bird had an 11 inch beard. This is the first one for Ricky since the Spring season opened on Saturday.

Gets Second Turkey

Jessie H. Johnson, Jr., of Appomattox is shown above with a 17½ pound turkey he killed on Tuesday of this week.

On Monday, the second day of the Spring Turkey Season, he killed a 21½ pound red-phase turkey. Both the birds were killed in the Red House area.

"Youth on Stage" To Be Held April 20

Richmond, Va. – Auditions for "Youth on Stage", a touring musical revue sponsored by the Virginia Commission of the Arts and Humanities, will be held at 2 PM, April 20 at the Lynchburg Fine Arts Center, 1516 Thomson Drive.

"Youth on Stage"is an hour and a half long musical revue presented under the professional direction of Mrs. Frances Wessells of Richmond, choreographer, and Fred Wygal Jr. of Fairfax, choral director. Students selected from auditions held across the state will gather in June for a two-week show rehearsal.

The show will open July 4 in the Tidewater area and will tour Virginia through July 21. Bookings have already been confirmed in Norfolk, Hampton, and Richmond and others are now being scheduled.

No tuition is charged for student participants and all lodging and travel expenses, except meals are paid for by the Commission.

For the auditions, students must be prepared to sing a popular song. An accompanist will be provided, but each student must supply sheet music for the song. After the singing audition, a professional choreographer will judge the student's ability to move in response top music. No costumes are required, but students are asked to bring tennis or ballet shoes.

The auditions are open to all high school students living in Lynchburg and surrounding counties. Auditions have already been held in Richmond, Fairfax, Hampton and Norfolk and another is scheduled in Danville.

The "Youth on Stage" program was begun by the Commission in 1971. Last year 30 students participated in the show.

Jordan News

Everyone is asked to keep the following announcements in mind: Saturday, April 20, the Ladies' Club will meet at 7:00 p.m. Monday, April, 22, the Junior Choir will practice at 6:00 p.m. Tuesday, April 23, regular church meeting will be held.

Thursday, April 15, the Senior Choir will practice.

Rev. Elliott and the Gospel Harmonettes will be at the St. Paul Baptist Church in Rustburg on Sunday, April 21, at 3 p.m. The public is invited to attend.

FREE BOOKLET PUBLISHED FOR AUTO OWNERS

"Save Fuel And Money Through Recycling Tires" is the title and message of a new free booklet for auto owners published by the Tire Retreading Institute of Washington, D.C.

Each worn but damaged auto tire that is recycled via retreading consumes four and a half less gallons of crude oil and 15 pounds less rubber than the manufacture of a comparable new tire, the booklet states.

Thus, for example, a set of four retreads produced for each of 100 cars conserves significant amounts of petroleum products -360 gallons of crude oil and 6,000 pounds of rubber.

The booklet says that car owners who trade in their worn tires for recycling before they become bald, worthless and unsafe for highway travel--will be helping to ease the nation's fuel crisis and to safeguard life on the highways.

The booklet adds that such car owners additionally will be helping to curb the huge economic waste of irreparable tire casings that are scrapped, causing blight and disposal problems costing America's taxpayers millions of dollars annually.

The booklet explains that:

About 70 per cent of a new tire's cost goes into its casing, yet car owners waste millions by hurling their tires too thin for recycling.

Statistice show that 90 per cent of tire trouble occurs in the last 10 per cent of tread wear, yet nearly one third of all cars on the highways today have at least one dangerously worn tire. More than 100 million tire casings are discarded annually (if strung out they would encircle the earth twice at the equator) littering the countryside and compounding the nations waste and disposal problems.

The booklet advocates that car owners trade in their worn but undamaged tire when at least 1/16th of tread and tread rubber remains. Among other things, this enables car owners to recoup some of their original investment in their tires, the booklet points out. It adds that:

Car owners can easily tell when their worn tires need to be replaced. New vintage tires have a "built-in warming". smooth gaps appear at intervals across the tread tires, having no such warning, insert a penny upside down into the tread at several places. If the top of Lincoln's head shows, the tire needs to be replaced.

To obtain a free copy of "Save Fuel and MONEY Through Recycling," contact your local Tire Retreading Institute member or write to Dept. B, Tire Retreading Institute, 1343 L Street, N.W.,
